

QAC WORKSHOP SERIES 2021

COLOUR SECRETS WORKSHOP WITH RAQUEL CLARKE

Working with Oil Paint Colours

You are invited to join us for a day of exploring and learning all about colour - How to see it, how to create it, and how to use it!

We will go back to the very beginning and learn the beautiful yet simple core basics that the masters hold to. We will explore colour theories, and we will learn and practice colour mixing with vibrant oil paints.

With an emphasis on learning, rather than producing an artwork - our goal is that each of us will relax and enjoy exploring colour, and then walk away from this class equipped with a new set of eyes and lifelong skills, as well as a renewed passion for using colour!
