

QAC WORKSHOP SERIES 2021

Traditional & Modern Oil Painting Techniques

with

Evan Woodruffe

When: Sunday, 19th September - 10am - 4pm

Workshop Summary:

In this exciting hands-on workshop, your tutor Evan Woodruffe combines historical solvent-free oil painting techniques with modern mediums and approaches, to show how to create oil paintings quickly, safely, and with all the brilliance oil colour has to offer.

With lessons from the Renaissance and Baroque periods, this workshop presents oil painting as a fume-free, systematic process, with solvent-free clean-up. Impressionism teaches quick methods for alla prima painting, and modern mediums allow for fast glazing techniques and thin solvent-free veils of colour, all resulting in oil paintings of depth and ease.
